By turns witty and profound, The Curious Enlightenment of Professor Caritat is a novel in the spirit of Gulliver's Travels or Animal Farm. Telling the story of the travels of a Professor Caritat, who is in search of the perfect world, Steven Lukes us on an irreverent romp through the history of western political philosophy. Doing for that discipline what Sophie's World did for philosophy in general, The Curious Enlightenment of Professor Caritat is both a refreshing humorous introduction to ...

The Curious Enlightenment of Professor Caritat is a brilliant fictional journey through Western political philosophy with one of our most original thinkers. Professor Caritat, a middle-aged Candide, walks naïvely through the neighboring countries of Utilitaria, Communitaria and Libertaria, in his quest to find the best of all possible worlds. Cut loose from the confines of his ivory tower, this wandering professor is made to confront the perplexed state of modern thinking in this dazzling ...
