*Intercultural Communication Issues between Japanese & Americans* Neil L.R. Tate **INTRODUCTION** Since 1945, the bilateral relationship between the United States and Japan has been one of the most important economic and diplomatic ties in the world. Maintaining this relationship offers challenges to the peoples of both nations as they face a variety of issues when attempting to communicate with ...

## [Intercultural Communication: A Current Perspective](#)

Sun, 23 Jun 2019 19:51:00 GMT

*Intercultural Communication: A Current Perspective* Milton J. Bennett The study of intercultural communication has tried to answer the question, "How do people understand one another when they do not share a common cultural experience?" Just a few decades ago, this question was one faced mainly by diplomats, expatriates, and the occasional international traveler. Today, living in ...
