## [Curriculum, Culture, and Art Education - SUNY Press](#)

Mon, 10 Jun 2019 09:15:00 GMT

*Consisting of international case studies of art education, by scholars in different countries, this book analyzes the translation of cultural knowledge through curriculum policy and practice. Each chapter focuses on historical and cultural influences on educational ideas that have crossed national borders and been transformed in the process. The range of influence is wide and includes popular ...*
